Minutes

The minutes from the last PTO meeting on April 20, 2022 are posted on the website Edisonsf.org. A motion was made by LeAnn Minister to approve those minutes and was seconded by Peg Preston.

Treasurer's Report

The Performance Budget to date was shared on the Zoom screen and is also posted on the Edison.org website. The current checkbook balance is \$13,706.13. There will be money spent yet this school year for Teacher Appreciation week and the 8th grade party. A motion was made by LeAnn Minister to approve the budget to date and was seconded by Peg Preston.

Principal's Report

Amber Blume presented the Principal's Report. Spanish Immersion 8th grade is finishing the STAMP test today and then all the standardized testing is done. Recently, Edison hosted the Student of the Month Breakfast, 5th grade Parent/Student night, and the Incoming 6th graders visited. Last night there was a Sports/Activities Information meeting about changes for next year. Edison will be adding Cheer and Dance, 8th grade boys and girls soccer, and boys and girls wrestling. Next week is the last week of school and Tuesday students will clean out their lockers and turn in the Chromebooks. Wednesday will be the 8th grade party and no backpacks will be allowed at school.

Old Business

The Staff Appreciation week went well. During the week there was Bagel Boy breakfast, Culvers certificates, May the 4th treats, Poppy's Popcorn and the Student Council made and handed out May Day Baskets. The staff appreciated the students being involved in the week. Hopefully PTO and student collaboration for this week can be included again next year.

New Business

The 8th grade party will be next week. More donations are still needed to cover some of the costs and a few more volunteers are needed. Amber Blume will send out another email reminding 8th grade parents of these things. LeAnn Minister will purchase concession items to be sold. LeAnn Minister will also look into getting a change box. Nikki Schmaltz will bring a canopy that she has to put over the concession stand.

LeAnn Minister talked about the Color Run for next year. The PTO is looking into options on how to have a Color Run without having to have a spring catalog sales event. PTO will contact

Boosterathon and ask for more information as to how this race would work with their company. A date will need to be chosen soon to get it on the calendar.
